

# USC Associates

CELEBRATING 65 YEARS  
*of PHILANTHROPY*

## **Overview**

Established in 1959 as USC's premier giving society, the USC Associates is committed to supporting the university's initiatives and fostering collaboration and meaningful connections with the USC community. Comprised of some of the university's most loyal, dedicated and enthusiastic advocates, the USC Associates actively supports and funds students, faculty, and educational programs across the USC campuses.

The USC Associates team connects members by coordinating events, facilitating individual requests, and promoting university-wide engagement opportunities.

## **Mission**

The USC Associates cultivates a vibrant community of supporters dedicated to advancing the University of Southern California through philanthropy, fueling innovation, furthering academic excellence, and enhancing the student experience at USC.

## **Membership**
