

USC Parent Leadership Circle

Mission

The USC Parent Leadership Circle (PLC) inspires and engages Trojan parents to support USC through philanthropic giving and volunteerism, while fostering a strong sense of community and loyalty to the Trojan Family.

Overview

PLC embraces parents of undergraduate students as an important part of the Trojan Family—valued partners who help us cultivate the leaders, innovators and creators of tomorrow. Our members help furnish the resources for an unparalleled educational experience, both in and beyond the classroom. In return, we offer opportunities to make meaningful connections with fellow parents and grant curated access to USC leadership.

“As the new co-chairs of the PLC Executive Committee, our top priority is to engage even more parents in the vibrant life of the university. We are passionate about sharing USC’s remarkable impact in various areas of research, innovation and the arts. It is essential for us to showcase the university’s groundbreaking achievements and the exceptional work of our faculty, students and alumni, within and beyond the USC community. In doing so, we hope to inspire more parents to join us in supporting and championing USC’s mission.”
